### **Teaching and Learning Committee 9th January 2023)**

progress through the school, learning more about themselves and their world, they will be given increasing opportunities to specialise in subjects which particularly engage them or are integral to their career plans.

- The curriculum is planned as a whole, utilising opportunities to develop skills in literacy, numeracy, decision-makq0.n

#### **Teaching and Learning Committee 9th January 2023)**

During Key Stage 3 (Years 7, 8 & 9) students at TBGS study a broad and balanced curriculum comprising the following subjects: Art and Design, Computing, Design and Technology, English, Geography, History, Mathematics, Modern Foreign Languages, Music, Philosophy & Applied Ethics, Physical Education and Science. In Year 7 students study Spanish.

In Year 8 students must choose a second language which is either German or Mandarin Chinese.

In Year 9 students begin the transition to Key Stage 4 and subjects incorporate GCSE-level material in order to provide stretch and challenge.

The curriculum remains broad at Key Stage 4 (Years 10 & 11). The core subjects studied by all students are: English Language and Literature, Mathematics, a Modern Foreign Language, Science (students will either study Physics, Chemistry and Biology as 3 separate sciences

#### **Teaching and Learning Committee 9th January 2023)**

Additionally, all pupils must study two other subjects chosen from: History, Geography, Art, Music, Media Studies, Physical Education, Design & Technology, Computing and the second language studied at KS3.

Girls as well as boys are eligible for admission into the Sixth Form, but girls may only be enrolled for the International Baccalaureate Diploma Programme. Boys may choose either the Advanced Level curriculum or the International Baccalaureate Diploma.

Students may choose THREE or FOUR A Levels, each of which is allocated up to five one-hour periods per week. These are chosen from the following list:

Art Geography

Biology History

Business Studies Mathematics

Chemistry Further Mathematics
